Every ten years ending in zero, history takes place in the small town of Oberammergau, Germany. Surrounded by the majestic peaks of the Bavarian Alps, people from all over the world gather in the charming village for one purpose: to witness the town's residents fulfill a promise made to God almost four centuries ago.

On a stage set against a backdrop of the breathtaking vistas, the villagers perform one of the most unique Passion Plays in the world by incorporating the Life, Death and Resurrection of Jesus Christ with their own tragic story. Discover for yourself how this memorable dramatic experience inspires passion, a renewed faith and hope in all who encounter the production of the Oberammergau Passion Play.

## Passion Play 2022

MUNICH — OBERAMMERGAU — PASSAU — BUDAPEST

The small village of Oberammergau is one of the most scenic destinations in the Ammergau area of the Bavarian Alps. Located approximately ninety minutes from Munich, Oberammergau is easy to get to but a world away from the bustle of big-city-life. With slightly over 5,200 inhabitants the town is dedicated to its history and tradition, and while Passion Plays are performed throughout several other Christian parts of the world, Oberammergau is unique for its *Thanksgiving to God*. Every ten years the humble little town transforms itself to accept over a half-million visitors from all over the world, just as the performers endeavor to transform the lives of their audience by inspiring hope, love, and faith.

Travel back in history to 1633 when, after 30 years of war, poverty and disease, the bubonic plague ravaged the area that is part of the Garmisch-Partenkirchen District and brought death to thousands. In small villages like Oberammergau, the plague decimated the population as it wreaked panic, havoc and terror, killing over a third of the tiny town's population and ultimately affected the lives of each and every person who lived there. This devastation inspired the people of Oberammergau to make a vow, and then a covenant with God: the town pledged to perform a "Play of the Suffering, Death and Resurrection of Our Lord Jesus Christ" every ten years ending in a zero if God would

protect the remaining townspeople from getting the plague and spare the lives of those who were suffering. The first play was held during Pentecost in 1634; legend has it that after the promise was fulfilled no other cases were diagnosed and those residents afflicted with the plague recovered. By the middle of the 18th century, people came to Oberammergau from all over Germany and Europe to witness the dedication and unique continuity of the townspeople. The tradition has continued for almost 400 years with the only exception in 1940 due to World War II. Most recently, when the Covid19 pandemic affected the entire world, the 2020 performances were delayed, and the 42nd Oberammergau Passion Play will now take place from May 14 to October 2, 2022.

Mix together the passion of the people set against the dramatic setting of some of Germany's highest peaks and it creates an atmosphere unlike any event in the world. From your assigned seat watch the production take place on the open-air stage of the Passion Play Theatre. The five-hour performance is broken down into twelve different acts, with a break for dinner between scenes six and seven. The story portrays the final days of Jesus of Nazareth, from His arrival in Jerusalem on a donkey to His death on the cross and His miraculous resurrection, all while weaving in the tragic tale of how the plague was brought to

Oberammergau throughout the acts. A hundred-person choir and a fifty-five instrumentalist orchestra accompany the dedicated ensemble to create a once-in-a-lifetime experience. The Passion Play is performed in the German Language however textbooks are provided in English to follow along easily.

Over the past four centuries, the people of Oberammergau have remained true to that first generation's sacred promise, maintaining the age-old tradition that permits only the residents of Oberammergau born in the village, or those who have lived there for a minimum of 20 years to take part in the play. Nearly half of the town's population will participate, whether it is in the performance, set design or some other role. Throughout the years, some contemporary elements have been added, however the people who participate in the Passion Play, known as *Passionsspieler*, attempt to follow a strict guide to keep the original promise as authentic as possible. It takes two years to prepare the town for the influx of visitors from all over the world, and for the actors to prepare for their roles. For one entire year before the Passion Play, ordinary townspeople who are usually doctors, teachers, shop owners, restaurant workers, and so much more, practice every day and dedicate their lives to the production of the play.

## **DAY 1 | GERMANY: MUNICH · OBERAMMERGAU**

Shortly after arrival at Munich International Airport, you'll proceed through customs and immigration before departing the secure area. An airport greeter will direct you to your deluxe motorcoach for transportation to your hotel in the vicinity of Oberammergau. For your convenience, the motorcoach you board at the airport will be your designated form of transportation and will remain with you until you arrive in Passau. This allows you to safely store larger luggage pieces you may wish to keep separate from your pre-cruise extension.

An English-speaking travel director will accompany you over the next three days of your pre-cruise excursion.

## **DAY 2 | OBERAMMERGAU THE PASSION PLAY**

Enjoy a leisurely breakfast at your hotel before boarding your shuttle to the Village of Oberammergau. The twenty-minute ride through the scenic Bavarian Alps gives you a glimpse of the captivating mountains surrounding you during your pre-cruise extension. In the distance, set amid the spectacular vistas, you might get a peek at the Zugspitze, Germany's tallest peak, standing at 2,962 meters above sea level. The countryside awards you with sloping

hillsides dotted with the centuries-old church steeples, farm houses and villages that have survived through the generations. After arriving at the drop-off point near the Passion Play Theatre, your travel director will guide you on a short walk through town and assist with the check-in process as well as all other details surrounding the performance. At the conclusion of the Sixth Act the performance will break for dinner, offering plenty of time to dine and refresh before the second half of play resumes. Your travel director will meet you at the conclusion of the performance to escort you to the shuttle for the short drive back to your hotel.

## **DAY 3 | OBERAMMERGAU · PASSAU**

After breakfast, prepare to board your deluxe motorcoach for a memorable ride to Passau, Germany. Enjoy scenic mountain passes, stunning alpine forests, and dramatic panoramas brimming with the majesty of the iconic Alps. Your journey takes you past post-card perfect castles constructed atop emerald cliffs, picturesque valleys, and rolling hills sprinkled with centuries-old farms. Small towns transform to sprawling metropolises and busy urban streets brimming with contemporary architecture and thriving industry, and then gradually fade to the romanticism of classic Bavarian villages dotting the Danube's riverbanks.

You arrive in the beautiful city of Passau with a few hours of free time before your 4:00pm embarkation. Store your luggage with the ship's front desk and set out to experience The City of Three Rivers. The river ship dock is conveniently located near authentic restaurants and inviting cafés for a tasty afternoon snack, or a cup of coffee heaped high with rich, Bavarian cream. You may wish to spend these precious moments wandering through the large squares and romantic promenades, or choose to occupy the passing of time by strolling along the riverfront to the dramatic conjunction point where the Danube, Ilz and Inn Rivers converge.

Discover the historic Old Town area of Passau and a past that has been beautifully preserved to give you a glimpse of life in the 13th century when the town was a small, independent principality ruled by bishops. Wander down winding streets lined with magnificent Baroque and Gothic Architecture, where the buildings are pieces of art and history is evident on every step of your pathway.

In the afternoon, embark your AMADEUS river ship and settle in your cabin. This evening, join us for a Welcome Cocktail, followed by a specially-prepared Welcome Dinner.

#### DAY 5 | PASSAU | AUSTRIA: LINZ

The vessel returns this morning for a short stop at the three-rivers city of Passau, lying at the confluence of the Danube, the Inn and the Ilz. Explore the city on your own or take an optional walking excursion. At St. Stephen's Cathedral, see an organ with 17,774 pipes and 233 registers, the second largest in the world. Passau is also the starting point for the full day optional excursion to Salzburg — rejoining in Linz. For those remaining on board, relax on the Sun Deck and take in the scenery as the vessel moves toward its late afternoon visit to Linz — the third largest city in Austria. The main street and square boast unique churches, concert venues, and plenty of artists who come to the city to thrive.

Time permitting, sample the famous Linzer Torte before returning to the vessel.

#### DAY 6 | EMMERSDORF · WEISSENKIRCHEN · VIENNA

This afternoon, perhaps venture to Schönbrunn Palace, the sumptuous summer palace and gardens of Empress Maria Theresa and the Habsburg Empire. Cap off your Vienna experience with the optional excursion "Sound of Vienna". Listen to the "Alt Wien" orchestra play popular pieces from Vienna's classical era. The vessel remains in Vienna.

#### DAY 8 | VIENNA | SLOVAKIA: BRATISLAVA

awaken in Bratislava, the capital of Slovakia. Explore the city on your own or with a guided optional excursion through the city. See the home of the Slovak Philharmonic Orchestra, the old city walls, the summer residence of the archbishop and the current residence of the president of Slovakia. In the restored old town, view Michael's Gate, the Primatial Palace and St. Martin's Cathedral, a former coronation cathedral for Hungarian kings. Bratislava is a jewel on the Danube.

#### DAY 9 | HUNGARY: ESZTERGOM · BUDAPEST

Relax on board as the vessel makes its way to Budapest, Hungary. For those interested in exploring the Hungarian countryside, the optional excursion departs in Esztergom, with its basilica dedicated to Saint Mary, and continues to Szentendre, known for its art galleries and museums. Rejoin the vessel after it docks in Budapest in time for lunch. This afternoon, explore the beautiful Hungarian capital of Budapest. The unique Chain Bridge straddles the Danube, connecting the Buda side, with its Fisherman's Bastion, and the Pest side, with its famous Hungarian Parliament building.
